

and exercise the authority of the Secretary under 31 U.S.C. 3701, 3711, 3716-3719, 3728, the Joint Regulations of the Attorney General and the Comptroller General, and the regulations in this part, with respect to the claims of the agency. An agency head may adopt regulations, in accordance with the Debt Collection Act and the Joint Regulations, setting out agency procedures for the collection by administrative offset of such claims and debts. If the head of an agency of the Department adopts regulations separate from this subpart, the procedures thereby established, rather than those set out in this part, shall be followed for the collection of the claims and debts to which the separate regulations apply. If an agency does not adopt separate regulations, the Director of the Office of Finance and Management may carry out the duties and exercise the authority of the Secretary on behalf of agency heads.

(c) Except where administrative offset is explicitly prohibited by statute or where other procedures are explicitly provided for by statute, all contracts and other written agreements which are executed after the effective date of these regulations between an agency and any person or entity must include the following or substantially similar language:

Any monies that are payable or may become payable from the United States under this agreement to any person or legal entity not an agency or subdivision of a State or local government may be subject to administrative offset for the collection of a delinquent debt the person or legal entity owes to the United States, under the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3701, 3711, 3716-3719); 4 CFR part 102 and subpart B of this part. Information on the person's or legal entity's responsibility for a commercial debt or delinquent consumer debt owed the United States will be disclosed to consumer or commercial credit reporting agencies.

### § 3.23 Collection by administrative offset.

(a) Whenever feasible, each agency of the Department of Agriculture must use, or request any other Federal agency to use, administrative offset in accordance with 31 U.S.C. 3716 and 4 CFR 102.3 to collect debts due the United States. The debt need not be reduced to judgment or be undisputed.

(b) The feasibility of collecting a debt by administrative offset will be determined on a case-by-case basis considering among other factors the following:

(1) Legal impediments to administrative offset, such as contract provisions, or degree of certainty as to the factual basis (other than the debt amount) of the Government's claim.

(2) Practicality, considering such questions as costs in time and money of administrative offset relative to the size of the debt.

(3) Whether offset would substantially interfere with or defeat the purposes of a program authorizing payments against which offset is contemplated, as where payment is an advance for future performance by the debtor of a service the Government desires.

(4) Whether the agency has substantiated the existence of the debt.
